100 Mega Street  
Clowntown NY 13820

Dear MegaMillions:

Recently, an Otsego County resident won the NY state lottery. This is the first time a winning ticket has been purchased in this county. For advertising purposes, it would make sense for you to allow a first time winner for MegaMillions in this same county. It would make great as one of those "most emailed stories", obviously causing more people to hear about megamillions. As a result, it would lead to more purchases, and clearly more revenue.

The Clowntown Gambling Syndicate is volunteering to be the receipt of said winning ticket, as we have two current residents of said county, and all Clownding Fathers hail from said county. Please make this your utmost priority.

Mega Regards,

Patrick Muller
